

SPONSORSHIP OPPORTUNITIES

Making Matters NH
Concord's Makerspace

Sponsoring Making Matters NH's Concord Makerspace is an opportunity for your business to support an innovative and highly impactful nonprofit, promote your business, and support your employees.

Making Matters NH is launching a 9,000 square foot makerspace and shared workspace in the former Beede Electric Building in Penacook, NH. The makerspace will have **shared tools and equipment**, **private offices** and **shared workspace**, and **education** and **resources for artisans, entrepreneurs, and innovators** of all backgrounds.

The makerspace will feature a fully outfitted **woodshop**, a **prototyping lab** with **3D printers** and **laser cutters**, a **fiber arts studio**, a **metal shop**, and more. The facility will also include a **classroom** and **conference room** that will allow it to host events, meetings, classes, and workshops.

Sponsorship Benefits Include*

- Your logo prominently displayed in the makerspace at 88 Village Street, Penacook
- Your logo featured on our website home page
- Exclusive sponsorship of events and workshops
- Promotion in our e-newsletter
- Recognition on social media
- Discounted membership rates for your employees
- Access to classes and workshops for your employees

*Sponsorship benefits vary based on level. See the full list of opportunities and benefits on reverse.

Making Matters NH is a 501©3 nonprofit organization whose mission is to develop a safe, fun, and collaborative environment supporting makers of all ages and skill sets coming together to teach, learn, create, explore, and prosper.

We are creating a strong and sustainable organization that contributes to Concord's regional economy and builds a more vibrant community.
